

Registered Apprenticeship Program

The Minnesota Community Health Worker Alliance is an Apprenticeship program Registered Sponsor. A sponsor helps coordinate multiple signatory employer apprenticeship programs by providing technical and administrative support to apprentices, educators, and employers.

Technical assistance and training includes:

- Organizational Readiness Assessment
- Implementation of CHW Scope of Practice
- CHW utilization
- Billing for CHW services
- Opportunities to share best practices with sites and apprentices

For questions or to become a registered apprenticeship site, contact:

Shandy Potes Mangra, Workforce Development Coordinator
