Child and Teen Checkups

Story Collection Survey

The Minnesota Department of Health's Child and Teen Checkups (C&TC) team is collecting impact stories about your work in support of the C&TC program. Your stories will help highlight the value of C&TC and preventive care.

Stories could include:

- A hearing and vision screen
- Something that feels like a win
- A connection with a patient or family
- A referral to a supportive resource

Submitted stories may be shared in the C&TC quarterly newsletter, trainings, Community of Practice, and more. Feel free to submit multiple stories!

Contact the C&TC team at health.childteencheckups@state.mn.us with questions.
